

# THE CITIZENS BANK

*Solid Traditions. Smart Solutions.*

**Switch to The Citizens Bank today—we will make it as easy as possible!**

- 1. Open your New Account:** Fill out the attached New Account Information form and we will have everything we need to start your paperwork. Once our CSR has your paperwork, you can stop by and complete the process.  
Completion of this form will not immediately open an account. This is for information purposes only and is not considered a method of account opening. The completion of this form will begin the application process but all applications are subject to approval.
- 2. Close your old account(s):** Notify your old bank that you would like to close your account. If you use bill pay, bring us a list of your payees and we will help you set them up.
- 3. Set up your direct deposit:** Simply send our Direct Deposit form to your employer or other payment source, so your funds can automatically be deposited for your convenience.  
\*Remember, it is always good practice to leave your old account open until you confirm that your direct deposit is set up accurately.
- 4. Switch Automatic Payments:** fill out and sign the Auto Withdraw Transfer Form to send to each vendor to switch automatic payments so they will start coming out of your new account.

**The Citizens Bank is very excited that you are interested in our bank. Our friendly and helpful employees are always willing to assist in making your switch as easy as possible.**

**Please feel free to call your local branch.**
